[illegible]

And thus we see that the same law is in force in all cases of the same kind. The law is not a mere rule of conduct, but a principle of justice. It is a principle which is binding on all men, and which is the basis of all moral and political action. The law is not a mere rule of conduct, but a principle of justice. It is a principle which is binding on all men, and which is the basis of all moral and political action.
