1. It is the will of our lord god that we should be
 happy in his love and in the love of his saints
 and in the love of his church. And for this purpose
 he has given us his grace and his help
 and his strength. And for this purpose he has
 given us his word and his promise. And for
 this purpose he has given us his sacraments
 and his mysteries. And for this purpose he has
 given us his church and his hierarchy. And for
 this purpose he has given us his laws and his
 commandments. And for this purpose he has
 given us his prophets and his apostles. And for
 this purpose he has given us his evangelists
 and his teachers. And for this purpose he has
 given us his saints and his martyrs. And for
 this purpose he has given us his angels and his
 spirits. And for this purpose he has given us
 his kingdom and his glory. And for this purpose
 he has given us his life and his death. And for
 this purpose he has given us his resurrection
 and his ascension. And for this purpose he has
 given us his second coming and his final
 judgment. And for this purpose he has given us
 his eternal life and his eternal glory.
