and made up for it all day long. I got
a lot of work done and I think I'm going to have
a great time up there. I will try to keep you posted on what's
happening. I am not sure if I will be able to do much work on
the boat because I will be working on the land most of the time.
I hope you can help me get back to my boat as soon as
possible. I am really looking forward to getting back to my boat.
