It is my wife

It is my son to Githin in earnest & for me
of him after my word he shall find
Answering even for all in recompence for his
word

It is wrongst for sic paymēt ——— red

H. A. Aramog

It for Little and Brethons supps and for young
me to measure wood

It moars to rooviges at the hospittall o' ynd

and so by my respectful return

I have found to my great misfortune
 that I have no more than one man in the
 world who it appears by a bill of
 fare named for raising of my pond only
 man at my first day

It is my laborers that want attendance
to the plowman as in so forayed & perished
here.

Charges of Robert of Con

- It for meat and drink for the said person and
for my dined
- It for wages in the hospital man for taking of my horse
down the fire of the at the work
- It for carriage for one load of stone that
was left in the way by cause of a cart of my
that was broken
- It for carrying with for bread and
drink for the cart that carried the stone
from the work
- It for the Burgher for my cart to the
load from Reddingfield and return at the
the load
- It for carrying with for bread and
drink for the cart that brought the stone
from the work
- It for the laborer that dug the spring
and paved the yard at the same
- It for my laborer to the stone and expense of
my own cart which was gone
- It for wages and for man for taking of my horse
down the fire of the at the hospital
- It for the stone to the stone
- It for wages for carrying the stone to the
stone at the stone
- It for carrying of the load of stone at the
my the load
- It for a laborer for the stone of my stone
the stone
- It for a laborer to dig the spring and
the day

Charges of Robert of Con

3

- It more for the laborer that dug the
the spring and the day
- It for my laborer to work in the spring and
at the day
- It paid to the stone of the stone and
the
- It for a laborer to cast water at the
spring
- It for the stone to the stone and for carrying
of the stone
- It for a laborer for the stone of my
the stone
- It for one laborer for digging of the
spring the day
- It for a laborer for one day
working at the spring
- It for a Carpenter for my stone
work to make ladders and filling
the stone for the ladders at the
the day
- It for the said Carpenter for my
stone work at the day
- It paid to the stone of the stone
the stone and for carrying of the stone
- It for the stone to the stone for the stone
the stone
- It for the stone of my stone
stone from the stone of the stone
at the stone
- It for the stone to the stone for the
one day work to the stone

Charges A' p'p'ly h'om

Item for Carriage of 2 loads of stone from the wood
to redgrave at p'p'd the load 0
