In my Ladys glost

Item one windowe glasyd

Item one locke a box

In ge windoway

John Bacon

1912 Bacon exhibit  
Thornage Hall came into the possession of the Bacon family when Sir Nicholas Bacon's oldest son, Nicholas married Anne Butts. The inventory of the Hall taken in 1608 shows what was essentially an empty building devoid of fittings and furniture and in disrepair when it finally came into Sir Nicholas Bacon's ownership on the death of Anne Butts, his mother-in-law.

B An iijventory of such implements and householdcuse as were left and delivered to Henry Bewers gen' the third of October 1608 belonging and beinge in Thornage Hall and are to be redelivered to Sir Nicholas Bacon knight upon demand as followeth...
