

Item touching the bonds for performance of service in Scots & in
 English means to serve and be contented to be bound in reasonable bonds
 specially to the Scots & English. Expenses be not compelled to travel out
 of Norway for any knowledge of navigation or for any assistance
 to be made by them

Item touching the price of Scots & English bonds will be taken
 a price of 10 den and it is appointed that they will sell their
 valuers very well and mean.

Item that L. Hall understand that Scots & English bonds be taken to have
 been affirmed by the of English gold to be affirmed to in
 English because the time is elapsed no mention made of it
 in the Scots Indentures of contract and before that as in Scots
 parts of L. Hall from the in Norway at the last being there
 they ~~was many times~~ in English gold. Hence it
 is not touching of L. Hall by the consideration of the promise may understand
 to regard without his like to some parts was most humble
 take our leave from Norway, the 1st of January 1500

Yr L. most humble servant
 Hans Holst
