

Some fard appointed to let this building and
wage is for workmen that made my fontaine
and is now come downe to set it up and for
the same should be lodged and boarded with you
if I remember for well and at an. a p. night or
few weeks at the furthest. And for two
asons were said for the spaces for the
fontaine and I would you should with your
immediatly your work being ended to come
to me yet for to the Gornhambury, I would me
to you mother and to you wife and for
a warning of the regard of the work
men because you may have allowance for it
from the Gornhambury for myt of
September 13 68

Some for work is now shall require to be
made for the fontaine, let James raise the
summe to make it for some time to come
