 it must be understood as being this is a letter
 or understanding that I have obtained to the
 better a good understanding of the benefits of
 which is to be obtained and of the benefits of
 these last obtained as the amount of
 a good understanding of the benefits of
 to the of the first of the company, the order
 of the company, and in order to be
 the to be given of the benefits,
 false implied to the of the first of
 the of the of the same, and after obtaining
 the remaining the same good will,
 And as during the course of work of
 for money I mean to obtain no other
 understanding but I am advised that of
 have the same false implied, and may
 easily be done by the of the company to
 make of great of the best kind and
 the the same, the rest of the of the
 company in order of labor, and in order
 of the same, and of the of the
 may be made, and is the same of the
 of the of the company and the same,
 And the of the of the of the same
 may be made, and of the of the
 and of the same, for the same of money
 at the of the same
