

Some I send unto yo^r Grace enclased A bill of Complaynt exhibited
unto me by my tenant of Burgate & Botesdale against
Wyllinson son of Burgate containing many extenuations
offered unto him by him. I would have had yo^r Grace
send call Wyllinson before yo^r and see and so man
of him as shall seeme good unto yo^r and to examine the
truth of the matter. And thereupon to take such order wth
Wyllinson, that he may live orderly & quietly amongst
his neighbours as becometh him to do, w^{ch} if yo^r
cannot bring to passe, then I would have yo^r advise
me what yo^r shall find in the matter to send I may
take such further order therein as he justit & equitie
of the cause shall require. And so fare yo^r well
from my house beside Searing Croft this xxijth
of November 1574
