Sir according unto promise I have provided for you one man
to be a groom of my stable, one who is a very honest man
a very sufficient to follow to discharge my place but I hear he
is by reason of some very earnest business of his own
he cannot by any means come by the space of these
14 days at the expiration of which time he will not fail but
come unto you, I have bestowed upon an other but he is
not yett come to London neither will he till the middle
of ~~the~~ ^{this} terme, I am desirous to furnish you with honest
men and such as shall be able to serve my house where you
weave better ^{stay} a littell longer. As for my horse I thinke
if you every morning & evening cause his keeper to walke
him abroad to give him by the space of an houre & when he
brought him in to give him a warme mash & he would doe
well enough. I pray you send if you bee already provided
send me word by writing directing my Letters to me into Shoe
lane to the house of one Adam Sewell a womans Taylour
he dwelleth right over against the signe of the Hand in Flan, at
whose house I lie but if I heere more from you in the
meane time then I will send them unto you. At thus with
my humble duty remembered to myselfe & my good lady. I rest
