Honorable Sister

It being, perhaps god's purpose & pleasure to visit  
me with such a dangerous sickness as I have bin  
altogether unable to afford those who I  
formerly, promised for yr best as well as my  
purpose of my own, I have, I find  
I sent my man to buy the horse, but one  
of John Fowler's was so I called to him  
who did owe him the bought horse for  
me before his coming. whereof I  
thought it fit to certify you that was  
my love & take my leave saying

Ribwort. this 24 of June  
1616

I remaine  
brotherly
