

my dear friend

Mr Knox is very apprehensive for our large
family Mr Jones Toulne house would be incon-
venient — I have assured her that a larger house
is to be found — Will you have the goodness
however to ask Mr Deniston Rogers whether
he will let us have his house for the
winter — But unless a larger house can
be found I would by no means relinquish
Mr Jones's considering it as engaged. I am
left off for Penobscot — Yours affectionately
Knox
