Philad.a May 24.th 1771

Dear Sir

I have your favour of the 10.th April & am sorry to find Mr Sutton has prevaild on you to make him an Advance of Money, because it is very uncertain when the repayment of it may be procured. This Gent.n having run his Estate out at the Elbows was obligd to put it out to Nurse, and I believe he is only restraind from dipping it deeper by having put it out of his own power. I am also in advance the £50 you paid him and have Mr Trowers of Jam.a his promise of remittance for Reimbursement, but a little apprehensive they will not come if Sutton gets to Jamaica before they are dispatchd

You may depend on my utmost endeavours to recover your Money & that I am very Sincerely Dr Sir Your Obedient hble Servt
