Bushfield March 20. 1789.

Dear Sir

My Mother has determined to remove to Bushfield again, and is very anxious to have her Furniture brought down from Blenheim as soon as possible — as it is a matter of much consequence that she get settled here immediately, she has requested me to apply to you for your Vessel for the purpose of moving her Things down — I shall be glad you will inform me by the return of the bearer if you can let her have your Vessel, when certainly,

and at what price — from this to Blenheim is but a short distance, and your Vessel can not be detained long. My compliments attend all at Nomony Hall.

I am with respect
Your very Obed.t Serv.t

Corbin Washington

P. S. I suppose my brother W. Bushrod Washington informed you that he had left money in my hands to pay you the freight due you for sending his things to Alexandria.
Should you not be at home when this arrives, you will please send me an answer as soon as possible.

C. W.
