Illinois Central FROM AND TO ALL THE SOUTH AND FOREIGN LANDS NEARBY -

Direct to Fair Gates

All Illinois Central through trains from the South and West use Central Station—the only terminal adjoining the Fair entrance, with tracks skirting the Fair grounds from end to end. Illinois Central facilities also provide the only trackage directly adjoining the Fair where sleeping cars may be parked—an outstanding convenience for special parties and tours.

Illinois Central Electric

TO AND FROM EVERY ENTRANCE TO THE FAIR

The map shows graphically the great territory Illinois Central Electric serves. The world's finest suburban service—500 trains daily (more when needed).

From the important downtown stations at Randolph Street, Van Buren Street and Roosevelt Road, Illinois Central Electric is the fastest service directly connecting the heart of the downtown district with all entrances to the Fair Grounds. Convenient connections at these stations with elevated, street car and bus lines provide an ideal route from Chicago's West and North side hotel and residential districts.

Illinois Central Electric provides fast, clean and inexpensive transportation from Chicago's great South Side direct to all Fair Gates. Note also the convenient connections with cross-town street car and bus lines from the Southwest Side. Direct connections at 53rd and 63rd Street Stations with through trains from all the South, Southwest and East.

Only 10 Cents

Direct to every Fair gate from downtown stations and from all stations as far south as 71st St. (Stony Island Avenue) and 75th St. (Grand Crossing) during the Fair. Similar low fares between all stations.

Illinois Central Electric stations are located at every Fair entrance—no traffic to cross in reaching grounds.
