TELEGRAPH SERVICE

Western Union Telegraph Co. has equipped the following four information booths with teletype and operator:

23rd St. Plaza

Inside Agriculture Bldg.

In center of T & T Dome

Hall of Science, Grnd. Fl. No.

All other information booths will accept telegrams.

GENERAL INFORMATIONTravelers Aid

The Travelers Aid Society at the 23rd St. Entrance will look after all lost children and elderly people. Lost persons should be taken immediately to the nearest information booth. They in turn will contact Travelers Aid. The Society will also determine whether an appeal over the PA System is necessary.

Hospital - Accidents

To call ambulance, dial operator and she will relay call to nearest ambulance contact point. On inside phones, Dial "0" - on all others Victory 7700, and give operator the location in slow, clear and concise manner.

Injured person must be sent to the Hospital in Hall of Science. If injured refuses to go to hospital, get names and addresses of injured and witnesses. Locate and inspect exact site of accident. In all cases, try to get witnesses other than those concerned in the accident. This is important.

Lost and Found

All articles should be turned in immediately to the nearest information booth. They will forward same to office in the General Exhibits. All inquiries should be directed to a booth or the G. E. Office.
