

VACATION—CHICAGO CENTURY OF PROGRESS

ROOM SELECTION BUREAU, INC.

1139 South Wabash Ave.

In co-operation with the "Keep Chicago Ahead" Commission and the Merchants of this City, this Company, through all of the Transportation Companies of America, is selling tours to Chicago and the Century of Progress.

Much effort has been expended to give you, through these tours, the best available service at the most reasonable prices, and any suggestion or complaint should be brought to the attention of **E. J. Schachtner. Phone Wabash 1514.**

(The only other necessary expenses which you will have will be for luncheons and dinners. Our experience with satisfied guests last year proved that most people do not want these meals included in their tours; they prefer to eat where they like. Numerous restaurants to please every taste and purse will be found near your hotel, as well as throughout the Fair Grounds or in whichever part of the city you might be at mealtime. Luncheons will cost between 25c and 50c, and dinners are available at prices ranging from 35c to \$1.00.)

The operators of these tours, in common with other companies in arranging for the tours and services mentioned herein, act only as agents, and as such are not responsible or liable in any way to anybody for sickness, accident, delay or inconvenience. Nor are the above operators liable for theft or damage in any form to baggage carried by tourist guests.

The operators reserve the right to change the features or routes of any tour when necessary for substitutions of equal or better value.

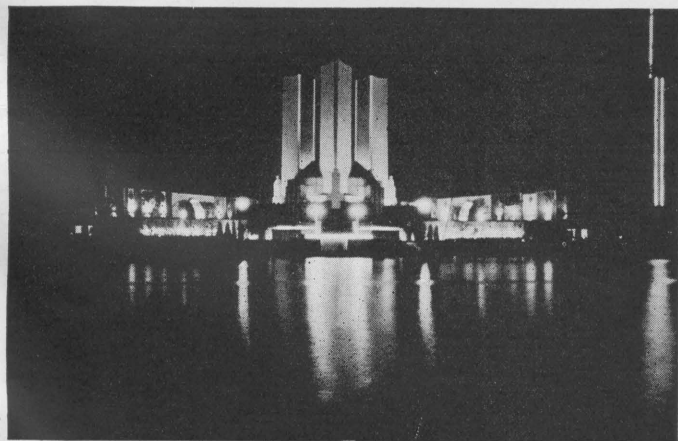

De Luxe Tours (same as above) using the large Loop hotels, \$2.00 extra each person daily.

Special—A 10-hour boat trip to St. Joseph and Benton Harbor, Michigan, with a 2-hour stopover in this vacation land may be had at the small extra charge of 75c each person.

If you are driving, we will have your car parked for you in our hotel garage instead of your taxi transfers Nos. 1 and 8.

Children under 12 years, rate is ½ adult rate.

Two, three and four-rate tickets are sold to families, groups and friends only. **Strangers will not be roomed together.**
