same operating as a house of ill-fame
 At the office on second floor I met a
 woman whom I knew as Marie, a resident of
 this place, and another girl.
 Here they solicited me to indulge in
 prostitution for a price of 10⁰⁰.
 They refused to take me to a room unless
 I showed them that I had the price on me.

As I went by a friend came to meet me
 at a table. He said it was served by a waiter
 with a light to be

me that the waiter did not serve any intoxicating drinks.
 - However, I had gotten with a lot of off and on the liquor
 on their tables. At one table I saw a lot of food and
 two women who were interested. The waiter explained this
 by saying that patrons brought their own liquor to the
 place.

Music for dancing was furnished by a four-piece
 orchestra. My informant showed me that the patrons
 danced in a proper manner.
