Friars Inn

Investigation

Entering this place with Inv. Dana, we were
seated to a table by hotel waiter. I did not
believe, but was informed by waiter that the place
only served soft drinks. We then ordered a lunch
which was served to us.

While here I saw six or seven women
enter & join men at tables. At one table I saw
intimate men & women. Also saw intermingling of patrons
and others, dancing by some.

Accompanied by Mr. Dana (X.P.A. man) we entered the north room & took a table in center of room, about half way between dance floor & entrance.

Here we ordered & were served with a meal for which we paid 3⁰⁰ of ice plus 20¢ tips. Both Dana & I tried to buy hi-balls but were informed by waiter that the management was not serving anything stronger than soft drinks. We then ordered & were served with meat-bors.

While here I saw a man who appeared to be a floor-manager serve a party of men at a near by table with what appeared to be hi-balls. The majority of the patrons were drinking tip liquor & were intoxicated.

Shortly after we entered Mrs. Crandall of the Y.P.A. entered & on passing our table touched me on the arm & spoke to me.

 Mrs Vandetta Stokes Reid.
 V mulatto woman

same operating as a house of ill-fame.

A well built mulatto woman who said she was Mrs. Stokes Reid, the keeper, admitted us & ushered us to a front bed-room.

While in this place I saw two mulatto women inmates pass the doorway of the room I was in.

The keeper, Mrs. Stokes Reid, solicited both J. & myself to indulge in prostitution with her for a price of \$5.00.
