Special Report of Investigator U 6
on Soldiers and Sailors
Saturday November 17th 1917 - 7⁴⁵ to 8³⁰ PM
In Company with Investigators R- & V

Standing at the entrance of the alley
on the south side of Van Buren street
between State and Plymouth, in company
with investigator S, I saw 25 sailors
and 5 soldiers enter the alley for about
100 feet, stay there a few minutes and
then come out. On account of the darkness
I could not see what they were doing.
But from all indications I would say
that they went into the alley to drink.
Most all of them appeared to be intoxicated.
They would enter in groups of 2, 3 & 4, some
of the groups returning a number of times.
In most cases they entered with a
civilian. One civilian in particular a
cripple made 3 trips with sailors.

After a civilian whom we saw enter
the alley and who was arrested a few
minutes later we left.

Saturday December 1st 1917.

At 11³⁰ P M. we met Mrs Anna
Hartman in front of 4031 Drexel Blvd.
She ushered us to her flat (3rd floor)
where we spent 2 hours.

She told us that she has lived there
4 years.

She said that a Mrs Marge Ahern
lives in one of the flats of the building
and rents 7 flats of the same building
as furnished apartments mostly to
single men, whom she has seen
bring women there, for what she
believes for immoral purposes. Also
that Mrs Ahern is a very bad
woman, for the reason that she
visits Cabarets, and drinks liquor.

While there I did not see or
hear any one enter the building.
I did hear a man + a woman's
voice in the flat below us
(over)

Mrs Hartman told us that she expected us to break in the flats and drag out the girls and men and Mrs Ahern and lock them up.

From what I heard and saw there was nothing to make me believe that there is commercial vice in the building

We were admitted by a colored woman who said her name was Victoria. She appeared to be the maid. When we asked for Anna Phillips she told us that Anna was out but would be in any moment and for us to wait. She ushered us to a rear sitting room and told us to take our overcoats off, to smoke, & to make ourselves at home. Before we spoke to her about girls she told us that if she knew us, she would call in a couple of girls for us.

When Anna Phillips came in (she said she was Anna Phillips) she was very indignant in finding us in her flat. When we said a friend of hers had sent us, she said a mistake must have been made.
