Same to be operating as a disorderly saloon.
 Harboring prostitutes. Upon entering the place we
 were ushered to a table near center of room. We were
 solicited to buy drinks by the head waiter (or the man
 that appeared to be the head waiter.) We were served
 with 2 glasses of beer for which I was charged 30 cents and
 for which I paid same. In a few minutes one of
 the girls that are employed to sing after finishing
 her song came over to where we were sitting
 with a small tin tray on her hand and
 solicited us for money asking us to put some
 on the tray. Both V and myself gave her 10 cents.

over

This girl then went around to the other tables and booths and collected more money which she deposited into a tin box which stands on the piano.

The head waiter then came over to our table and asked us if we wanted to meet a couple of girls. We said yes. Here my overcoat was taken away also my hat and I & had his hat and gloves taken we were told they would be put into the cloak-room. We said we wanted to take them with us but the waiter that had taken them said they were already in the cloak-room. We were then taken into a stall or booth. In a few minutes two girls came in one came out of the Ladies toilet. She wore a overcoat and hat, the other girl came from the front of the house, had no hat but wore a red sweater. I asked her if she was the girl the waiter sent and she replied yes. The other girl who took a seat next to where I & Sat Called Waiter bring us a drink. Wine was ordered by them it was served and I & paid \$3. for same. He put a \$1. bill on the table to pay for same at which the girls laughed.

While seated in this booth I saw across the other side of the room into another booth on the North side of room and saw a young man one who had a short time previously been seated at a table in the center of the room near where we were first seated. He was sitting with a girl and they were served with drinks he was his hands under this girls clothes also kissing her. In a few minutes Clarence the girl that sat with Dr. V. Called "Waiter bring us some more wine" the waiter filled our glasses again. They were hardly filled before she again said "Waiter bring another bottle" we told him not to do it but he paid no attention to us and in a few minutes returned with another bottle he handed me the check for \$3. Which I paid for telling him not to bring any more and to stay away. Janette said she and Clarence had a flat to gether on Michigan Ave and solicited me to prostitution for the sum of \$10 for the night. Dr. V. was solicited for \$20 by Clarence. Here again Clarence called the waiter and ordered more wine he brought same although we told him not to. He handed Dr. V. the check for \$3. which he refused to pay for and in order to avoid any trouble

I paid the \$3 check. The wine was served
 I saw four sailors in the main room drinking
 a amber colored drink which looked like
 high balls. The two women that sing here
 after each song came over to our table and
 asked for money the two girls we sat with
 would say go on put a quarter on the tray
 I put 10 cents on a couple of times then refused to
 contribute any more. I saw about 9 girls in
 different booths two of which were singers. The
 other girls were seated in booths with men all
 drinking. The girls Janette said to meet them at 1²⁰ a.m.
 at Auditorium Drug Store Wabash Ave and Congress St
 and from there we could all go to her flat
 where she had all the beer we wanted and
 both girls promised to give us a real good
 time. Clarice gave Ind. V a slip of paper
 on which she wrote her address and phone
 number. We then left the place promising to meet
 them at the appointed place. On the way out the
 head waiter helped me on with my coat and
 then demanded 10 cents for wardrobe fee. He
 insisted upon getting it standing between me and
 the door. I told him that if I would have

had 10 cents left the girls would not have left me
 leave the table he laughed at this and let me
 pass. On the way out we met 2 young men who
 told us that they were waiting for two girls who
 promised to take them to where they lived giving
 814 S. Michigan Ave. as the address. They told us
 they had spent \$20 in there but the girls promised
 not to charge for the good time they would
 give them as they could spend the night with
 them and no charge would be made.
 They said they were strangers in the City
 living at the Best Hotel on W. Van Buren St.

In this place the booths are about 5 feet
 High.

 Sunday Dec. 9/17

Drs. V and myself entered the above place at 12²⁰ A.M. and after being charged 50 cents admission. This being the wardrobe charge, we were ushered to seats on the main floor. We were solicited to buy drinks by waiter #6. He said we could only be served soft drinks or near beer. We ordered soft drinks for which I was charged 40 cents and for which I paid. I saw about 150 people of this number there were 15 or 20 Dancing instructors Female. I saw them dance with men and also saw the Manager take two from a table nearby and seat them at a table with two men who had entered but a few moments before. I saw ~~the~~ Bloom sitting in the small Chop Suey Restaurant. There were two women and another man seated with him. There did not appear to be anyone in charge of the dance floor as the dancing was at times very immoral. The singers while singing are tossed money which they pick up from the floor and deposit into a bank which is kept on

the piano while they sing they go from table to table
tossing coins in the air catching same. This is a sort
of hint as to get you to hand them some more. One
of the singers who had received money from some
men at a table across the floor from where we
were seated. Did a short muscle dance. No
one stopped her or even attempted to stop her.

I saw 5 Soldiers one of them was a
Canadian officer. It was impossible to see what
they were drinking. I also saw girls seated at
some of the tables smoking cigarettes. No one
stopped them either. We also spent a short time
in the Chop Suey Restaurant where we were
served with Chop Suey here also I saw a young
woman smoking.

On December the 10th 1917 at about 3³⁰ P. M.
 I visited 121 N. 5th Ave Basement in Company
 with Harry Nichols. We were admitted by
 a man and after entering the first door
 walked through a 2nd and found ourselves
 in a room about 20 x 25 feet there were
 about 8 or 10 men in this room some betting
 on the races others about four including
 Harry Nichols and myself playing rummery
 for 10 cents a player. I heard a telephone
 ring a number of times and Johnny the
 man that runs the place would go into
 another room and answer it. Coming out
 he would either quote the price on the
 Horse or give the results of the next
 race. He mentioned the name of the
 Winner the Secord & I his horse in the 3rd
 race at Jefferson Park New Orleans. I also
 saw some men enter and others leave the
 place. I also saw a man named "Candy"
 whom I have been told in the past is an
 old time race track gambler. (over)

We were solicited to play "rummery" and did
 so in order to avoid suspicion. We left
 at 4 P.M. Candy was at the door when
 we left and unlocked the door to permit
 us to make our exit.

Special Report of Ins X - on

 1807 Hotel 2nd floor

Wednesday Dec 19 - 1917

Along I entered this address at
 about 2⁰⁰ P.M. and opened a conversation
 with a man whom later said that he
 has been the proprietor since
 Thanksgiving.

(Who is a man about 37 years old, weight
 about 140 lbs, height about 5 ft 8 in,
 red hair and blue eyes, brown.)

During my conversation with this man
 I told him that I wanted to secure
 a room for immoral purposes
 as that I was not married.
 He then said, "The C.C.F. has caused me
 a ——— lot of trouble but they have
 nothing on me and if they are going to
 press the charges they claim they
 have against me, I am going to fight
 that ——— lunch to a Spanish
 and I can do it. But if they won't
 say any more and when I get my
 (continued other side)

place fixed up which will take
me about two weeks. I am going to run
it then to suit my self. I will have
on my two horses about thirty five
rooms and will rent them out for men
and wife if I can get them and no
— — is going to stop me."

During our conversation this man
used extremely bad language towards
the C.O.F.

He also said that I should come back
in about two weeks and that he would
fix me up.

I left at 7:25 P.M. and returned
to Club.
