170 W Washington St Gould + Carmody
Investigation and past record of owner

On this date I went to a saloon at
170 W Washington St to get the telephone
number which is Franklin 5066.
This place is ran by Joe Carmody and
Bob Gould. They formerly ran a saloon
on Duncy St between 1st and Dearborn
St and women were allowed in the
basement of the saloon.
Gould was arrested about three years
by the government for refusing whiskey
and was sent to the house of
correction for one year.
Carmody was the partner of Walter J
Bren who sent to jail for graft.
Carmody was discharged from the
police dept for graft.
Carmody is on the list for parole
agent.

After being seated and served with a round of drinks Mr. X entered into a conversation with a waiter who was called "King".

Mr. X asked if he knew of any girls, to which he replied, "I will see in a minute."

He returned in a few minutes to our table and said to go to where he pointed across the room where two unscorted women were sitting, which we did.

The women said their names were "Rose" and "Mable".

(Cont. on other side)

After being served some drinks I heard Mable solicit Mr. X to prostitution for the sum of \$5.00. She said lets go upstairs and ~~for~~. Rose solicited me to prostitution for the same amount and urged me to go upstairs with her. She said, "why not go upstairs now, as you need not be afraid as this place is safe."

After leaving the cafe and while passing through the bar room I saw two police officers in uniform, star # 4603 and 685 standing at the bar each drinking a glass of old Taylor whiskey. There were no charges made for this drink.

I saw Mr. X give Mable 50 cents to keep her confidence. Mable left our table and went to another table where a man was sitting alone. They had a drink and both left table in about 10 minutes.

Investigations

After being seated and served with some drinks Mr. X entered into a conversation with waiter #3. whom Mr. X knows as "Mike".

Mr. X asked Mike if he knew of any girls and he replied, "yes" but they were all escorted now. But he knew one who was a hustler, but she was with a man now but he could get her phone number.

He then left our table and went to another table where he spoke to two women.

Returning to our table again, he gave us a telephone number, Superior 543 and said "to ask for Kathryn" and then said he had fix it up with Kathryn for us.

We saw intermingling of patrons and suggestive dancing.
