same operating as a disorderly saloon. When we entered this place X introduced me to Edna Smith the wardrobe check girl here. We took seat with her at a table near entrance as she suggested, we purchased drinks and she told us smutty stories. She asked me for a dance and while dancing with her she solicited me for sexual intercourse for which she made price \$5.00. She also solicited me to visit her at her flat 2546, Lennox Ave. 1st Apt. where she said she would entertain me sexually, but in the afternoon only and that I should call her up by phone Foreman 8666 before coming out. Edna also arranged with us to meet her at a date to be fixed and visit a disorderly flat operated by her friend, for the purpose of sexual intercourse.

Using an entree I called of Jean Eagan and made an appointment and then visited her as aforesaid, and found this place operating as a house of prostitution. We were received by Jean Eagan the keeper of this place and seated in the parlor where this woman solicited us for prostitution and made price of \$5.00 for sexual intercourse or \$10.00 for all night. This woman told us of men she entertains here sexually for a price and also said that she hustles on the street for prostitution.

each purchased a round (2 bottles) of beer for which
Mrs Volkman charged us each \$1.00. While here Mrs.

We were received by Anna Schults, M. D. the keeper of this house. I introduced investigator X and we were seated in dining room. Dr Schults then said that she had called up two girls for us and that they would arrive shortly. While waiting I purchased a round (2 bottles) of beer. We were here about one hour when two prostitutes arrived separately, Dr Schults introduced them to us as Mellie and Sussie. We were then solicited by Sussie to buy a drink and I then purchased another round for which the keeper afterwards charged me \$2.00 for both rounds, and investigator X was charged \$1.50 for one round he purchased.  \$10⁰⁰ for herself and \$2⁰⁰ for the keeper for the
 use of the room. Dr. Schultz was so persistent
 that we stay and go to bed and have sexual inter-
 course with Nellie and Sussie that we were oblig-

 here. Dr. Schultz told me that she calls girls for
 men for the purpose of sexual intercourse and
 also said that she rents rooms to married couples
 for immoral purposes for a price.
 While we were here the dear Tell rang and Dr.
 Schultz said that it was a cheapfear who had

 us that she is personally acquainted with
