same to be operating as a house of ill fame.

By appointment we met two women at Broadway & Leland, who said their names were Viola Mundy and Miss Beggs.

Viola Mundy suggested going to the Green Mills which we did. After a round of drinks Viola invited us to her flat at 1057 Leland to which place we all went.

While seated in the reception room I heard Viola solicit Div. X to prostitute for the price of \$15.00 for all night.

Just before leaving two plain clothes policemen entered. They soon left without making an arrest.
