~~Geo~~ ~~Investigation~~ Rose - keeper

Using an entree I had visited this place.
I was received by a man who I afterwards learned was a plain clothes detective who was here with two other detectives who I learned were making an investigation on this place. They took me in a bedroom and threatened to arrest me unless I told them the purpose of my visit, however I did not commit myself as to my identity.

While here Rose the keeper of this place acknowledged to the detectives in my presence that she at one time solicited me to come here with a girl and rent a room for the sum of $2.00 for the purpose of prostitution, however she further stated to the detectives that at present she is not operating. Before I left here the detectives told the keeper that they would watch her place.

After warning me the detectives left me go.

We were taken here by taxicab driver (license #15295) When we entered this place we were received by a colored maid named Ruby who took us into a front (dining) room where we were joined by Nellie Costello the keeper and the following resident inmates named Vernon, Lottie and Mary and a call girl named Leta.

These women solicited us to buy drinks and investigator X purchased one round consisting of 4 bottles of beer and 2 drinks of whiskey for which the maid charged him $1.50, I purchased two rounds, each round consisting of 3 bottles of beer and two whiskeys for which the maid charged me $1.40 a round.

and Vernon solicited me to prostitution. She keeper Nellie Costello also solicited us to take a girl to bed. Vernon made me a price of $10.00 for sexual intercourse.

On a former occasion I obtained evidence against Nellie Costello when she operated a buffet flat at 4161 Grand Boul. 2nd Apt. which she at that time operated in connection with a flat at 3720 Indiana Ave 2nd Apt.

Registed here at 6²⁰ P.M. and was assigned to room #829. Saw five couples without baggage register here after midnight who apparently were not married couples. they were assigned to rooms. Also saw after midnight several couples ordered out after they had been in their rooms. The night clerk told me that these couples got disorderly in their rooms and for that reason were ordered out.
I remained in investigators room (#714) over night and the next morning (Sunday) at about 11³⁰ A.M. We purchased ½ pint of whisky at $1²⁵ from bell-boy named Walter, which we found very intoxicating.
During conversation with Walter learned that prostitutes live here who entertain men here sexually for a price. Walter told us that he could

furnish us women for prostitution. We consulted and at about 12:30 P.M. (Sunday) he sent a woman who came into investigator V's room who gave her name as Gladys from room #420, she solicited me to prostitution for the sum of $5.00.

The rumor here is that the night clerk and the manager Mrs. Rairden slep together and that Madge the switch board operator (about 17 years old) and a fellow named Earl slep together.
