While here these women solicited us

Miller flirted with me and then she gave me

and said I should visit her for the purpose
of prostitution.

Investigation

During my visit in the 22nd street district covering about 16 hours on the 2nd and 3rd of this month, I visited a number of saloons and at these saloons I was unable to purchase intoxicating drinks, only in one instance at 3848 Cottage Grove Ave saloon and cafe, I was told by the waiter (when I purchased a bottle of beer) that he served me the beer with $1\frac{3}{4}\%$ alcohol.

I found a number of women waiting the streets who appeared to be prostitutes. I saw several women pick up men in the vicinity of 23rd street and Indiana Ave. A woman accosted me at 23rd St. N. E. corner Indiana Ave, and took me to a place at 2258 Cottage Grove Ave, where I obtained evidence. Another woman while passing me in drug store at 13rd E. 22nd St. gave me the high sign and told me to follow her to 2226 Indiana Ave, at this place woman was soliciting men from door way. I was taken to the second floor and there I obtained evidence.
