came to the office and a friend of ill-fame.
After I had made appointment by telephone, we proceeded to the above address and were admitted into a dining room by a woman whom we know as Fay.

We did three other women, one whom we know by the name of Daisy, and the other two, Fay introduced to us as "Babe" and "Pearl."

Fay solicited me to prostitution, she said, "come back after 1 o'clock, and we will have a good time for all night," when I asked Fay, what she charged she replied, "Oh about 10." meaning $10.00.

We first met Fay and Daisy at Gordon's Inn at 3056-8 Elmwood, on 1/18/19, where Fay is employed as a check girl, we also saw Babe there employed as an entertainer.

Fay solicited me, as she was going to work. G.C.H.

Investigation

After being ushered to a table by Charlie Crawford, and served with a round of drinks by waiter #7, I saw Edd and Louie Wise very active about the floor, such as ushering patrons to table and instructing the orchestra.

Intoxicating drinks of various kind are being served, ever waiter served with a bottle of Schlitz Beer, and whiskey, and the dance hall, entertainers, floor orchestra, and cafe are in one room.

I saw returning of patrons, men going to table and asking the women to dance with them, the dancing being conducted in a suggestive manner, so called chimmy dance,

I saw soldiers and sailors, and also couples which appeared to minors.

The place was filling to its capacity, and I learned from the check room woman that Edd and Louie Wise were the owners.

Power to be apparently operating as a disorderly saloon, after being placed, and served with drinks me and a man and woman sitting at a table near end.

The woman entered into a flirtation with Ind-D, asking him to dance with him.

While Ind-D and the woman were dancing I entered into a conversation with the woman escort and she in return introduced me to her as "Gertrude."

Gertrude told me, that she had given my friend (Ind-D) her telephone number, and for me to remind him to call her up, and that she would have a woman friend for me, for illicit purpose, she did not mention a price to me.

(Continued other side)

I saw one army officer, and three privates, whom were apparently being served what appeared, to be ginger ale-hi-balls, and the officer told me, that he was being served, with a ginger-ale-hi-ball.

I said a man who I knew to be Rudsberger the proprietor very odious about the place.

I also saw unescorted women, and intermingling of patrons.
