and told me he knew a woman that might sell me liquor but first he wanted me to go to a drug store and give me a receipt of the intertainers cafe which his name scribbled on it and told me to give it to the druggist at the north east corner of 35th and Indiana. I left the cafe and stood on the corner near the drug store mentioned but I did not go in the store.

I went back to the cafe and took my seat and told the waiter the druggist was out of liquor and the waiter said that's alright I will see that you get liquor and turned around to a man and a woman sitting at the next table to us and asked the woman to get me some liquor. The woman said alright give me \$5.00.
