 Some to be in building. The first dance
 by Mary & Marie. Chorus of Comedians
 of about 12 girls. These girls were led by a
 leading lady who was very suggestive
 in her shimmy dance. There was
 also one part of show where one of the
 male actors purchased a bottle of wine
 this wine he was told if drunk by
 a woman would cause her to give the
 male owner anything he asked her for
 or to do. The actor gave a chorus girl a
 drink and she took off her dress. He
 then gave her another and she took off
 her shimmy which left her in only
 a pair of fitting one piece underwear
 owing to the fact that she was running
 out she did not take this off. C. Est.
