 Same operating as a disorderly theatre  
 We paid admission of \$55 and took seats  
 in the 5th row Center. There is about twenty  
 girls in the chorus. all scantily dressed. the show  
 in it self is not so bad, aside from a few suggestive  
 jokes.

There is a red headed girl in the show who  
 appears twice each performance, she has nothing  
 on but a fur beads which goes around her busts  
 and very fur around her hips leaving her stomach  
 and buttox absolutely naked and bare. She does  
 the belly dance sticking her entire private parts  
 into full view to the audience putting these parts  
 into a rotary motion which is very suggestive.  
 her vagina is covered by a piece of cloth about 2'x3'  
 her dance is very rotten and are open  
 to a decisive change. O.E.H.
