Old woman - short.
Assignation

— Alone I have solicited to return and bring a girl with me for the purpose of prostitution.

I was admitted to the front hall at the above address by an old woman. I asked to see the girls she told me she had no girls but I should get one myself and come back and she would rent me a room to have a good time in for 1st

There were two men and two girls in the front room drinking what appeared to be gin. One of the girls had no dress on and was sitting on the lap of one of the men.

Elbow I was here solicited to prostitution
for a price of 3⁰⁰ plus one dollar for the Room.

I entered the hotel at the above address and asked a
girl who was on the staircase coming down where I could
find Mrs Wagonman. She told me in the cafe next door
I followed her there and she pointed me out to Mrs
Wagonman who was sitting at a table with a woman and
2 girls. Mrs Wagonman came over and asked what I
wanted I told her I wanted a girl. She said alright and
called one of the girls from the table. They both accompanied
me back to the lobby of the hotel. There the girl solicited
me as above she said, "well honey lets have the
dough so I can give Mrs Wagonman her's" I told her I had
a friend waiting for me and that we would return later.

Mrs Wagonman then said "Bring your friend over now, I've
got a couple more girls upstairs" I told her we did have time
then and left.
