"Go back to your table and I'll see what I can do," he said.

I went back to my table and I saw him talking to a man who appeared to be the manager or head waiter.

About 2 min. later this short fellow came by my table, winked at me and I followed him into the back room where I paid him \$1.50 for a pint of whiskey. I took the bottle back to my table and over a waiter pulled the cork. I nr. 50 and I sampled the whiskey.

 M. which, who is one of the "hood men" of the
 Avalon. I asked him whether or not he could
 get me some liquor. He told me to meet
 him in the lavatory in about 5 min.

I went back to our table and in about
 5 min. I went over to the lavatory with
 Dr. 121. Eddie was in the lavatory and he
 handed me a 16 oz. bottle full of liquor and
 I handed it to Dr. 121.

"God \$10⁰⁰ to pay for this?" I asked Dr. 121.
 "Sure" he replied and he handed me a two dollar
 bill and I handed it to Eddie M. which. I then
 introduced Dr. 121 to Eddie. One of the patrons
 "Cord"

note from 1st page

If the Café came into the lavatory and we let him sample our liquor, then we went back to our table.

A man named a Romanian named Mary and who said his number was 10, came over to our table. He was slim, dark complexioned and rather witty and accented. He asked him if he wanted a drink. He said he did, so we poured some into a glass that he brought over.

He came back a little later and said "What some liquor is it?" ~~He asked~~

We said it was and he said

"I think so, it tastes like it."

We paid our bill about 1.00 H.M. and left.

Evelyn - Kitty - Betty

Inv. 5th

Evelyn, a short thin white girl with
bobbed hair and shell rimmed glasses led us into a
little hallway or vestibule inside the door. Kitty, a tall
thin dark skinned girl with a turned up nose was
sitting on a davenport in one of the rooms sewing.

We told Evelyn we were friends of
Johnson and she said

"Oh yes, well did you want to come up to night
and go to bed with us girls?"

"What are you waiting for?"

"Well alright, Betty will be here to morning
and if you would wait there we can
take care of you all at the same time."

It all cost her 5⁰⁰ a piece was her reply.

She gave us her card and told
us to call her up.

As I passed the above address I noticed that the place was a shooting gallery and a "penny arcade". I stood looking in thru the door and noticed four or five boys in the place. They (the boys) were about 10 or 12 yrs. old. Two of the boys were shooting with .22 rifles and two more were looking in thru picture machines that a man buy dropping coins in them and then turning the handle. There were several young boys loitering out in front of the place also.
