This place to be operating as a house of ill  
fame. We were admitted by Mrs. Stout and ushered  
into a sitting room. We asked for Elsie and  
were informed that she would be in shortly. I had  
just started him self and a girl named Anna came  
out of a room off of the kitchen with a man. I  
said this girl would do and went into the  
room with her and a short time later came  
into the sitting room and gave Mrs. Stout \$5.00  
A short time later I heard the girl say she had  
just become sick and could not stay with  
him. We left.

This place to be operating as a house of ill fame. We were admitted by a girl named Frankie and ushered into a parlor. After some conversation we each purchased a round of drinks. Before we left Frankie asked me to take her to bed. We made excuses saying we were going to send up some other boys. Frankie told us to be sure and have the boys ask for her.

We entered and had a couple of drinks at the bar and in walking thru the back room to the toilet we were asked to buy a drink by two girls who were sitting with men. me to buy a drink and I did after "L" joined  
us. We had a couple of rounds of drinks and  
before we left we were solicited to prostitution  
by this girl. We left promising to return.

I also saw three girls change tables when introduced to men by the waiters. I saw two of these girls leave the cafe with men and a few moments later come back unescorted. A young man with whom I am acquainted took one of these girls out and when he came back I asked him where he had been. He said he had gone upstairs with the girl and it had cost him \$3.00 \$1.00 for the room - \$2.00 for the girl. We had several drinks in this place.

This place to be operating as a saloon with a cabaret show and no license. We entered and took seats at a table in the cafe. We ordered a bottle of Schlitz beer and when the beer was served a "Bevo" bottle was placed on the table. We asked the reason for this and the waiter told us that they were operating without a license. We then ordered a "Jim Fizz" and whiskey. The Fizz was served in the usual way but the whiskey and the water were served in tall glasses. The cafe of this place was crowded and there were colored entertainers at work. We had several glasses of beer and asked the waiter what kind of draught beer they had and he told us "Berghoff".

this place to be operating as a house of ill fame. We saw Five girls dressed in kimono's and were repeatedly solicited to prostitution by two of them. Two men entered after us and each of these men took a girl into a bed room. One girl was sitting on a man's lap and had the front of his trousers open. One of the girls in this place was formerly an inmate of 2031 Armour Ave.

 this place to be operating as a house  
 of ill fame. We saw the keeper and a girl  
 named Daisy. The Madame told us Daisy had  
 an "all night" man and if we wanted too  
 we could <sup>both</sup> stay with Daisy as she could  
 get out of the room long enough to go to bed  
 with us. Daisy said this was agreeable  
 to her. We promised to call again  
 later.

this place to be operating as a house of  
ill fame with four girls. To gain admission  
to this place it is necessary to enter 500 S.  
Halsted street and go up the stairs then turn thru  
a door into the next building which would be  
502 S. Halsted. We were then conducted by a  
man into a room and thru a hallway  
and then up onto the third floor where we  
saw four girls and were repeatedly  
solicited to prostitution
