After entering the cafe, we found
one unsavory woman sitting in a booth,
whom Ins-B- introduced to me as

After being seated, and served with
our round of drinks, Clara Walters solicited
me to prostitution; she said, "I will

When I asked Clara Walters what

Checking Informal Notice

After entering this place, and
while standing at the bar, we each
ordered a glass of beer.

The bartender [age about 35 years old
height about 5 ft 10 in. weight about 150 lbs
dark hair and smooth shaven] told us
that he did not have draft beer,
but could serve us bottle beer.

He then procured 1 bottle of
"Export Beer", which he poured into two
glasses, and for which Inv-B. paid
15¢.

This beer tasted like lager beer,
and the bartender told us that it contained
4% alcohol.

As we were about to leave, the
bartender said, "do your fellows want to
see a girl, come back any time and
I will fix you up."

About the Loop

Investigation

While walking about the streets on general observation, and entering some of the so called notorious cabs in Hotel's, we saw in numerous occasions, women apparently prostitutes loitering about these places in a manifest manner for solicitation.

As much to say, that while making an investigation in the Dr. Jonghe Cafe on 14 W. Monroe St., I saw two disreputable women sitting at a table, and who smiled at me and while they were going out, they beckoned for me to follow them.

We did so, and in the street they accosted me, and one of them gave her name as "Miss Gentry" Phone 3428 Apt 314, and invited me to come up to her flat Wednesday night.

The main street of these so called notorious women is on Michigan Blvd.
I also met a girl, whom I know

- Page 2 -

as Miss Jackson, an inmate of Elizabeth
Woods' place.

Miss Jackson gave me her house
number as Douglass 132, and invited me
to come up to her flat, next week.

Upon ringing the bell, a woman
age about 35 years old came to the door.

After telling this woman that we
were a friend of Downey, a taxicab driver,
she replied, "I don't know your fellows
and I am not taking any more chances to
strangers."

While talking to this woman, a
girl came in, whom we saw loitering
around on 39th & Cottage, and was told
by Downey that she was a prostitute.

Downey told me that these
people formerly lived at 4160 Drake Blvd
Apt. 303. under the name of Miller & Dror.

We have had a complaint on the
later address, and have found same vacant.

We were sent to the above address
by J. R. Downey, taxicab driver # 200169, located
at 39th & Cottage Groor.

After he stated, we ordered and were served, with beer, and whiskey hi-balls.

I saw intermingling of patrons, men going to different tables, and asked the girls to dance with them, the

The dancing was of a very suggestive manner, so called the shimmy dance, and couples rubbing their bodies,

at 12:50 a.m. I saw a police sergeant in uniform, in company with police officer #2725, come in through the Eric Street Entrance, and walked through the cafe.

At 12:10 a.m. we ordered and were served with beer and whiskey hi-balls.

I tasted the contents of these drinks and found some to contain alcohol.

This place was well crowded, and many of the patrons being intoxicated. I saw other tables being served what appeared to be beer and hi-balls. G.H.
