Calling waiter over he asked for some gin. The waiter (who we later learned that his name is Ed) asked how much we wanted a Pint or less. He returned in a few moments and laid a Bottle on the table. I asked Ed how much? He said \$1.00 I said will just put it on the check and I'll pay later. I then took the bottle and poured some in two glasses. Both tasting same same we found it to be "gin".

When I paid the check the following item appeared - Drinks - \$4.00

There was very much liquor in sight. And at a table where Mr. Graham was sitting (Mr. Graham the owner) I saw shots of whiskey being served.

Expenses at the above named place \$ 4.00

While Dr. D. remained in observation on the

2nd floor, I met a man who said that he was
the proprietor.

After inquiring for a woman named Marie,
I learned that she was out, and that the

Soon a woman of heavy set
dressed in a kimono who the proprietor
addressed "OK."

This woman ushered me into a side sitting

\$2.00 for her self, and \$1.00 extra for room rent.

After leaving the sitting room, the proprietor asked me why I did not go to bed with the woman, to which I replied "that she was to get."

He then told me to come back after 7:00 P.M. after which time he would have 3 other women.

I said the proprietor had a baby in his arms, and learned that the child was 6 months old, and that the proprietor was its father.

seems to be operating as a house of ill-fame.

Using an extra, made arrangements by telephoning and we were admitted into dining room by the colored maid.

We were soon joined by a woman who gave her name as "Iona" and learned that she was a resident immigrant.

Iona solicited both of us to prostitutes naming the price to each of us as \$5.00 for her self, and \$2.00 extra for room rent.

I learned from Iona, that a woman by the name of Belle Moran was the keeper and that another woman by the name of Mickey was another resident immigrant.

I did not see the two latter women here.
