On the 2nd floor at the office of this Hotel, I entered into conversation with the Clerk, and learned that there were no women here at this time, but that he, the Clerk would hold a woman for me, as soon as one came up, and waited me to come back later.

When I asked him about a room and the price of the woman, he told me that the price for the room would be $2.00 and that I would have to fix it up with the woman, for what ever she charged.

I send a woman from this place, whom I found to be a prostitute.

After learning that Georgia, an inmate was out for a walk, Emma invited me to come back with in an hour, and that she would then show me a good time and told me, that the price would be the same, as she mentioned to me on my previous visit being $5.00.

Emma gave me her phone number and impressed me, sure to call her before coming so no one would be in.

Learned that, Georgia, was still here and practicing prostitution, and learned that Emma

After entering the bar room, the bartender remarked, "nice woman in the cafe go in and enjoy your selves."

I then took a seat in cafe, where I was served by waiter, with what appeared to be regular beer.

I saw four soldiers in uniform whom appeared to be intoxicated, and saw other patrons drinking served with what appeared to be whiskey hi-balls.

I also saw five unescorted women whom were intermingling with patrons, and recognized them of them as well known prostitutes.

Learned that this place opened up a week ago, and that prostitutes cater here.

While passing this place, three white women whom were sitting on the steps of the front porch, beckoned for us to come over.

We did so, and these women immediately solicited us to "prostitution," say don't "dont you boys want to spend a dollar and go to bed."

One of these women, of a heavy set type, red hair, intimated, that only one of us could go in at a time, she then ushered me into a front bed room in the basement, where she again solicited me.

This bed room only contained an old iron bed.
