Liquor violation and disorderly

After entering this place, I noticed about fifteen people, including two police officers in uniform and one woman.

The police officers were standing at the bar, drinking what appeared to be ale, appearing to be intoxicated, having their coats unbuttoned and carring on in a disrespectable manner. I was unable to obtain their numbers.

I also saw two men, including the woman mentioned, who were intoxicated and using profane language, which all took place in the presence of the police officers.

However I did not attempt to procure liquor, but was served by bartender with what appeared to be near beer.

Investigation on Complaint # 1571

I was admitted into dining room by a woman age about 40 year, medium build, red hair, who gave her name as Mrs Gregory, the keeper of the place. While there I was given access by Mrs Gregory, to the telephone directory and telephone, thus bring my alibi to gain entrance.

During my stay I saw 2 young women age about 25 years, these women and the keeper being dressed in pink silk kimonos, also the keeper. And one of these women were smoking cigarettes.

I also saw a woman age about 55 yrs dressed in a house dress, who apparently was the house keeper.

There are very indication that this place is a house of ill-fame, therefore I was unable to procure evidence.
