While here, both of these women solicited me to prostitution, I was solicited by Helene Harrington, who named the price as $3⁰⁰.

While in hall-way I saw Helene Harrington enter a bed room with a man, she told me that that man was her trick whom she picked up on the street.

I saw a woman by a name as Grace who appeared to be the Harper and that Ester and Helene were resident Inmates.

came to the office apparently of a fine class of a house of ill fame.
We were admitted into sitting room by a woman whom Ind. H. introduced to me as "Miss Clark" and learned that this woman was a resident inmate and that a man and wife were keepers.
During my stay I learned that this woman (Miss Clark) like might posture and that certain men friends were giving her money. She also agreed that we could have a party and that she would furnish me a woman who would give her a good time but that I had to make arrangements with her as to the price.
I was unable to obtain a direct solicitation to prostitution as was I able to obtain a price. However according to the her conversation and action I am positive, that this woman is a prostitute.

came to the opening as a house of assignation and apparently operating as a house of ill-fame.
We were admitted into sitting room by a man who gave his name as "John Colet" the keeper of the place.
After being admitted, the keeper asked me if we wanted one or two girls to go to bed with, saying that he had to charge for the girls. I learned from him that the girls charged $5.00 for the purpose to go to bed with men, also that the keeper rents rooms to unmarried couples and told me that I could bring in a woman for an illicit purpose, and that the charge for the room would be $2.00, I and a man enter[illegible] arrangements with the keeper.

(Continued 1st page)

Just after being admitted, a man (of Greek appearance height about 6 ft 4 in weight 250 lbs) was admitted who had a conversation with the keeper in Greek language and then came into the sitting room, where he kept his presence.

In all appearances this man was either a detective or a pimp and in my opinion he was one of our visitors. However I did not like his appearance and this is the reason we left that room.

I found that this place has about young girls or minors and that two men Greeks are the keepers.

I was given the picture to this place by a man I know as Louie a fortune of a pool hall at 133 W. Madison and who also is cousin of John Colet and I got my information from Louie that this place had three women.

However the keeper did not make any effort to call the women and it is my belief that the women are kept there by these Greeks for the purpose of prostitution.

The woman placed whiskey, highballs, this we were served by the waiter, for which a charge of 65¢ a drink was made.

Myrtle collected note protection for the sum of $5.00 and wanted me to procure a yellow Cab to take her home, she gave me her phone number and said she resided there and found occasion to leave.

come to be operating as a disorderly saloon.
After we had taken seats in cafe an unidentified woman entered who I know as Myrtle and who took seats with us.
After being served with whiskey highballs this woman Myrtle solicited both of us to prostitution naming the price as $5.00 and wanted us to procure a cab where she would perform this illicit act.
Myrtle is a resident inmate at 1312 No Clark 2nd floor which place I obtained evidence and learned that this place was raided by the L.A.P.D. officers and that the keeper was told to vacate.

Investigation on Vice and Street soliciting.

After a general survey in location mentioned in company with DW-K- we saw open street soliciting and in one occasion we were solicited by a notorious prostitute who gave me her name and phone number asking me to visit her any time before dark I verified this number and found same correct.

On an other occasion I was also solicited by a notorious prostitute of the south side, this woman wanted me to go first to a cafe, I objected and learned from her that she and other women solicit on the streets between 1:00 to 6:00 P.M. after that hour they are told by the police to vacate the streets.

I recognized other notorious prostitutes on the streets some were intoxicated.
