While passing these premises in pursuance

man standing on the steps of the 1st floor

stopped me and said, "come on in and see the girls

they will show you a good time" at this moment

a red painted colored woman dressed in a silk

prostitution saying "come on in I will give

you a good "fuck" for $2.00 and will make you

I did not enter this place for the simple

I saw Inv D- bring stopped by this
