Came to be arresting as a house of ill- fame. Upon entering I visited three floors and on the 2nd floor I met a man of Jewish appearance age about 30 years who said that he was the clerk.

After telling the clerk of my mission I was informed that being I was a stranger he could have to see the "Boss".

Soon another man appeared of Jewish appearance age about 50 years who said he was the "Boss" and after he enquired me as to being a Government man or a reformer, the "Boss" then solicited me to indulge in prostitution with any woman that he had, saying that the price was $7.00 and demanded pay down before he would take me to a room.

At this point I objected telling

I Don't

him that I wanted to see the woman first and know what I was getting.

He then went into a side room located West and brought out a woman apparently dressed in street attire, saying "do you like her, if not I have some more."

The place is located one block West of City Hall and named ~~that~~ strictly entire to business men, that it was trying protection and that "Bess" told me him self that he was not afraid of Police officers.

I was given the information to this place by Bell Boy #4 of the Randolph Hotel to whom I gave 50¢ for his confidence.

The place was recently raided by the police for crooks and many of them were found of that fact Probability of being a connection with "Mike de Pike" whose place of business is within a block South.

Came to be operating as a house of ill-fame. Upon our entering we visited these premises and were admitted into dining room by a colored woman whom I know to be the maid.

We were soon joined by two girls dressed in blue Japanese silk pajamas who gave their names as Ruby Drane and Grace. The girls solicited us to buy drinks and we were served by the maid with three glasses of whiskey, one glass of beer and a package of cigarettes for which the maid charged us $7.50 plus a 50¢ tip.

Both of the girls solicited us to prostitution naming the price at $15.00, I was solicited by Ruby Drane, who also gave me her card attached. Learned that Miss Agnes Harry was the G.O.N. keeper, also saw another colored woman. Est $8.00

Complaint.

After paying admission of 50-¢ we entered Lower hall located on the 2nd. floor. During my stay and conversation with several of the patrons, I could not learn anything tending to show, or did I see that this place was being conducted ~~contrary~~ to the law.

To my judgment there were about one hundred and twenty couples present on the floor was crowded, all dances were conducted on clean lines.

1324 No LaSalle Str Rooming House

Complaint?

I was admitted into hallway also known as a reception room by a woman age about 35 yrs. of a flirting personality who gave her name as Mrs White the keeper of this place known as a rooming house. Inasmuch as the complaint mentioned a Mrs McCarthy I took it for granted that this McCarthy woman was the keeper, under the pretense of entering I was unable to asked for the McCarthy woman. I learned from Mrs White that she was conducting a rooming house which is a three story Bldg. that she was filled up at the present time and that she charged for her rooms from $3.00 to $9.00 per week. However she gave me her telephone number Superior 3825 and told me to phone her in the future in reference to rooms. I verified this number and found same correct under name of Grace White.

I was unable to asked any questions regarding conditions

for the reason that a little boy eg colored
5 years was in the room, who was white
and was her child.

Will continue operations.

Comes to the office of Private Detective Agency stating he is a disorderly saloon keeper. After drinking a drink of the kind ordered by a woman known as Bobe a regular prostitute. Bobe told me that she was waiting for "guy" and after being served with drinks for herself and her to prostitution, but as she was unable to secure a price, she said for me to wait until her friend arrived that she would then take me and her friend to a hotel where the price would be arranged.

Some to be operating as a house of ill-fame.
We were admitted and shown into
a front sitting room by a woman we
asked as Margaret the keeper.
This woman solicited my companion
and myself to prostitution naming the prices
as $2.00 or $3.00 "what ever I can get"
She told us that she recently came
out of the County Hospital where she went
to be cured of a blood poison on her left
leg. She showed us the diseased part of
her leg, being about an inch square and cut to
the bone. In my opinion this woman has the
syphilis. For previous evidence

we visited the place and were admitted into
hall-way by a woman. I found as Mrs
Davis the keeper.

Mrs Davis was provoked because
I did not come by my self and would not admitt
me further however she insisted both of us
to come back separate that she would then
indulge in prostitution

As I was leaving she called my
attention to come back alone for the purpose
of sexual intercourse, the price was agreed as
$5.00.
