Came to be operating as a house of ill-fame.
After having a round of soft drinks at the bar, the woman bartender in charge then solicited my companion and myself to indulge in prostitution with two girls whom she said were upstairs, she named the price of $3.00.

The woman in charge told us that girls were busy with a trick and that two men were waiting to go up. I said her unlock a door and told one of the men to go up.

Strt soliciting

While waiting for Inv-M-, I was accosted by two women prostitutes who later gave their names as Pearl the keeper of a house of ill-fame, and Della an inmate. Pearl solicited me to go to her flat where she would indulge in prostitution with me, she told me that she was looking for a flat, for the reason that the owner of the place where she lives has told her he got out, for the reason that the owner knew that she was conducting an immoral flat, she said that she would be out in two days.

While Inv-M- and my self were in her flat at about 3 55 P.M. both women told us not to make any noise for the reason that the owner lived on the 1st floor and that if he was to know we were here, he would cause trouble.

See E.S. of this date.
