During our preliminary investigation while on observation we obtained information from source who visit these premises for immoral purposes, that everyone is required to secure a room in advance.

That after you have secured said room, that the hall-boy as well as the clerk would send girls to your room for immoral purposes, that the girls charge from \$5.00 to \$10.00 for sexual intercourse, plus room rent.

There is no question in my mind but that these facts are true and that this would be the only way we would be able to secure evidence.

 We were admitted and shown into
 a front parlor by a woman who gave
 her name as Mrs Carl Betnap the
 keeper of this place.

The keeper solicited my companion
 and myself to indulge in prostitution, informing
 us that she would name a price when we
 got ready to do business. Inasmuch she
 made her self very clear that the price
 for the purpose of carnal intercourse would
 cost enough and that she was not charity.

She told us that she could arrange
 for another woman by the name of Bratner
 for immoral purposes.

The keeper formerly quoted it 52.37
 Bratner got it which floor I do not know on 1-23-70.
 We also saw a colored maid.

Street solicitation.

From information I had received we found the following condition existing.

While on the corner of Ashland and Madison two women solicited us whom I know as Alice and Marie, well known prostitutes, whose telephone number we obtained and will follow up later, also in this same vicinity I recognized three other prostitutes, one of them openly solicited a man.

Between Paulina and Wood and Madison on the South side of street we were accosted by three women I know to be prostitutes, soliciting us for \$5.00 and demanding said money before going to a room.

Two of these women openly solicited five men with in about one minute the solicitation undoubtedly was within hearing distance of a police officer who was on the corner of Wood & Madison.
