 I was admitted into hall-way
 by a woman about 40 years of age, short
 upper teeth missing, I know as the
 keeper of this place.

This woman solicited me to indulge
 in prostitution for a price of \$1.50, stating
 that she was busy at that moment
 and for me to return later.

This woman made her self very
 clear, stating that she was a hustler and
 made a practice of this profession, inasmuch
 as I have had information from various
 sources, who claim that they have had
 intercourse with this woman.

Police Officer in uniform #1094-

Entering place, we took seats in cafe where I saw a police officer in uniform #1094 being seated at a table, who was under the influence of liquor.

The officer soon left this table and entered basement (entrance from cafe) where he remained about twenty minutes and with entered bar-room.

Re-entering cafe at about 2:30 P.M. he placed his arms around a waitress I know as Emma Sullivan carrying her and placing his hands about her breast and legs, this woman and another waitress known as Ruth Jones were seated at our table, both women insisted that the officer take a seat at our table this he did, being introduced to us as a "Mr Mac" of Scotch nationality.

The woman then solicited us to buy drinks, the woman as well as the officer ordered straight whiskey, Two- \$ and my self ordered soft drinks, the drinks were

three served by Anna Sullivan, for which I
was charged and paid to Anna Sullivan 75¢
for glass of whiskey, 50¢ for soft drink plus
a 25¢ tip.

While at this table and in the presence
of the officer, Ruth Jones pulled up her dress
exposing her bare legs, while Iw-~~g~~- had
his arms about her, both women solicited
us to indulge in prostitution for a price,
this was not with-in hearing of the officer.
However both women told us, that the officer
had knowledge that they were here for the
purpose to indulge in prostitution with
him, this act to take place on the 2nd floor
which was an entrance from cabs.

During conversation the officer used vulgar
and profane language saying, "well Anna, how did
you make out the other night with the officer, did
you go to bed and have a good good night?"
to which Anna replied, "yes we did, there was another
officer and a girl, we were all drunk and walked around
for an hour at 3 o'clock in the morning before we found
a room."

At about 3:00 P.M. a man entered by the name
of Dick, who told the officer that the riding party was
out side, the officer was then let out through the
rear entrance by Anna Sullivan.

 Madam Rose Alice de Resora
 a woman

Some speaking as a house of assignment and
 apparently as a house of ill-fame.

We were admitted and shown into front
 parlour by a woman I know as Madam Rose
 Alice de Resora the keeper of this place.

While here a man was admitted and
 shown into rear part of flat by the keeper,
 while in hall way the keeper and this man
 caressed and kissed the keeper told us that
 this man was the sweetheart of a woman
 I know as Ruth a former inmate.

Soon a woman's voice said "all right
 Rose" to which the keeper replied "ye go ahead"
 and at this moment the keeper drew the
 portiers together and a young woman dressed
 in a pink silk kimono passed through these
 portiers and then entered a front room.

(Over)

apparently a bed room. However I did not see
the man enter, or did I see him leave the premises.

The keeper solicited me to bring my
own girl that she would rent me a
bed room for immoral purposes for a price
of \$3.00. She told us that she had no more
girls staying with her and that the only
way she was making money was by renting
rooms and selling drinks. Inasmuch I
saw a woman there apparently a prostitute.

However I am of the opinion that
this Madam Rose is a prostitute and is
practicing this profession for the reason
she told us that she at one time was a
prostitute and that she had been visiting her
whom she called "Sweethearts" also carrying
and kissing took place.

We were taken to this place by
a yellow Cab. from Wilson's Broadway after
I had made connections by telephone.
I paid \$1.00 for Cab fare.

 In the hall way of the 2nd floor
 I met a man I knew to be Casey the keeper
 of this place, who formerly kept a
 house of ill-fame at 1734 W. 1st Street,
 of which place I obtained evidence.

Casey the keeper, informed me that he
 only had one girl who was busy at this
 time and that I had to wait my turn he
 then ushered me in a side waiting room.

Soon a man and a young woman
 appeared at the head of the stairs of the 3rd
 floor, the man said, he had sexual
 intercourse with the woman he then left
 the premises.

Casey the keeper solicited me to indulge
 in prostitution with this woman for a price
 of \$3.00.

We were admitted into sitting room by a colored maid and found the place to be a place of ill fame.

During our stay, we met a young girl apparently about 17 years of age who gave her name as "Mae". This girl privately told me that she was 16 years of age and that she had been practicing prostitution just six months.

In the presence of my companion and inmate known as Peggy, and the colored maid this young girl solicited me to indulge in prostitution for a price.
