X- Monday July 11th
 18 To Curtis Str 3:10 P 3:30 P
 House Port + 1st Emily Marshall
 could not leave Dolly near
 and three other girls
 women housekeeper.

Along -
 some operating as a house of ill-fame
 I was taken to this place by a
 young man of Greek appearance, apparently the
 pimp, and we were admitted through
 basement into a front reception room
 by a young girl who gave her name
 as "Dolly" the President's mistress.
 Here we were greeted by four
 more young girls all dressed in silk
 shimmering and resident inmates of this place,
 one of them gave her name as "Dolly".
 Dolly in the presence of all the
 inmates as well as a woman housekeeper
 solicited me to indulge in prostitution
 ushering me into a rear bed room of
 the basement floor, where she procured
 a jar of water and towel naming a price
 (Over)

of \$200 for several inter courses.
Refusing to go to bed this girl
then became indignant and in order
to be a good fellow, I purchased a round
of wine, which was served by Sally,
consisting of five glasses and for which
I paid the \$250 plus a 75¢ tip.

The men who brought us here, were
solicited by inmates here, both there went
upstairs where they remained about ten
minutes. I saw two other men enter
through basement, who went upstairs
with the girls, and were then ushered
out through the rear, we were also ushered
out through the same way.

I was told by this man Frank as well
as all the inmates that Emily Marshall
was the keeper, but who was out at this
time.

This is one of the most decisive
places I have seen for some time.
