 This man, without asking any questions  
 ushered us into a bed room, located on the

 in under laying on the bed asleep, whose  
 name I was unable to learn.

This girl in the presence of the clerk  
 solicited us to indulge in prostitution for

 us to have sexual intercourse with the girl.  
 The clerk informed us that "Casey" was

Soon a man appeared from the

The clerk, solicited my companion  
and my self to indulge in prostitution

"Boys if you want to go to bed with the  
girl, you will have to wait your turn, she

The clerk informed us, that she had  
only one girl working at present, that he expected  
she was soon also that Casey was the  
original keeper and that they operated until  
4 A.M.

All of the above mentioned taking  
place at 1738 1/2 Van Buren, this is some  
distance from 1734, just recently opened

clerk. Just before entering, my companion

 apparently operating as a house of ill-fame.  
 On the 1st floor, in reception hall,  
 I met a man about 35 years of age, who gave  
 his name as "George Smith" the keeper  
 of this place.  
 The keeper then showed me to the 2nd  
 and 3rd floors where he showed me two rooms,  
 informing me that he was renting these  
 rooms to unmarried couples, for the  
 use of immoral purposes for a price of  
 \$200 and \$300 at the same time. He solicited  
 me to bring in girls for immoral purposes.  
 After inquiring for girls he informed  
 me that he had three girls staying there  
 for the purpose of prostitution, but whom  
 he was not hustling at this time.

The keeper solicited me to buy drinks  
 saying that he had whiskey and beer at  
 a \$1.00 a drink. I did not purchase he  
 solicited me to visit him at any time

Check off.

While in bar room I entered into conversation with a Jewish offerring man whom I had seen there on my previous visits, apparently the keeper of this place. During the period of our conversation he called my attention in a subtle way, saying, that he had seen me at other places and will remember the occasion when I was sitting in cafe, with a girl by the name of "Alice" accompanied by a "fat man," this being Juv-S-.

When I asked him what he meant, he replied "that's alright, you are not a copper but I'd — you — you can't be caught off." He also mentioned, that large sums of money had been paid out of the ill district, this man must have me placed as a Government man, I have heard that Government Agents are being paid out of that district.

I was admitted and shown into a front bed room by a girl who gave her name as Ruth a resident inmate.

Here I was joined by four more girls all inmates, one who gave her name as Vivian, who immediately solicited me to indulge in prostitution for a price of \$300 and upon making my response she insisted that I buy a drink. Ruth then served three glasses of "whiskey" for which I was charged \$300 plus a 25¢ tip.

While here I said two men leave the place and three other men entered one of these men entered one other front bed-room with one of the inmates. I heard the girl say, "come on kid like F -"
