At about 6:15, at which time I saw Inv. X
across the street from these premises I was
greeted by a man answering the description given
by Inv. X as Frank Miller, and who answered
to the name of Frank, and admitted by him
and ushered to a reception room fronting
on Warren Ave. On being admitted I was
told that someone known by the name of Lucile was
present and I was asked to wait in the reception room.

Shortly after my arrival I heard Frank, who
I saw walking to the front door, open the door
which had been locked following my admission.
Lock it after him.

Soon after this I heard a bell, ring three
times in close succession. This bell I judge
from the footsteps heard on the porch, to be operated

from this porch, leading to the front door of the adjoining building or from a hall in this building. The bell sounded as though it was located up stairs in the adjoining building.

Soon after the ringing of the bell, the front door was again unlocked and I heard footsteps and the bell outside the reception room and voices to the rear and up stairs. The front door was locked.

I heard a man or more than one man in conversation with a woman up stairs.

I was then called by Frank who I met on the stairway where he introduced to me a girl also on the stairway. He said she was not Lucile but another girl. I was ushered into a bed room to the rear, on the second floor by this girl and there solicited and urged to indulge in prostitution and perversion with ~~me~~ ^{her}.

for a consideration of \$5⁰⁰. I asked this resident inmate what ~~she~~ would be charged for prostituting herself all night. She informed me that she was not going to be on duty as a prostitute in the premises after 1:00 A.M. ~~but would~~

She ~~this~~ solicited me to indulge in prostitution and perversion with her from 11:00 P.M. to 1:00 A.M. informing me that she would have to ask Frank how much to charge. Reluctant to this she left the room and returned with Frank.

In this same room where I remained I was then solicited by Frank to indulge in prostitution and perversion with the girl inmate described for a consideration of \$15⁰⁰.

In the presence of the girl inmate I was then asked to make a deposit of \$5⁰⁰ on a \$15⁰⁰ charge asked for indulgence in the

above described acts from 11:00 P.M. to 1:00 A.M.

This request was followed by a demand. Upon refusal of this demand and the offering of \$4 as confidence to the girl what he said was not wanted he said in an excited state, "For me, you stink" "Who sent you up here" "You are an investigator" "I know who you represent" "What did you come up here for."

Following these remarks I saw a man described as weighing about 150 lb. enter.

Frank then ordered this man who was addressed by Frank as an officer of the law and who displayed a badge worn on the left side of his vest, to search me.

This man ~~approach~~ drew a revolver demanding that I, Frank and the girl innuendo "Put em up". This was done after I attempted to get a

good view of the badge he wore and he said,
 "Keep 'em up or I'll pump you full"

Another man described entered which
 caused the man who said he was an officer
 to take his gun down for a moment. The
 man with the gun then demanded "Show 'em up".
 and the hands of all four went up.

I was searched for papers of identification
 by the man representing himself to be an
 officer who said he would take us to the
 Station.

I said I would be glad to be taken to the
 Station and he replied that he would take
 me somewhere besides the Station and
 with hands up we were marched down
 stairs to a room about the center of the
 house.

Here I was further searched by the
 man whose gun was pointed at me and
 also searched by the best arrival.

When I requested that the supposed officer
 take me to jail as threatened he ~~could not~~
 do so. I think he is an investigator. I don't
 know. He ~~could not~~ be fired and allowed to
 get something to eat. The man with the
 gun demanded that I keep still and
 showed the end of the revolver against
 my abdomen saying, "Shut up or I'll
 plug you." Frank then said to me, "If you come here to go
 and get out of here." ~~Frank then said to me, "If you come here to go
 and get out of here." I don't know if he is an investigator or not.~~
 I don't get out of here.

Apparently I protested successfully and
 apparently having convinced the man with the
 gun and Frank that I was not an investigator
 I was marched to the kitchen and there given
 a drink of whiskey by the man holding the gun.

The man descended as the last arrival was then instructed to drive me away in ~~an~~ automobile.

I was ushered to the door by Frank and the supposed officer who still carried his gun.

I entered the automobile and was driven West on Waveren ~~and~~ ~~some~~ ~~of~~ ~~the~~ blocks, then East across Madison and South to a place near the "elevated".

Here the driver got out and tried a door on what appeared to be an auto repair shop and said he wanted to get a mechanic.

I was then driven to the Randolph St entrance to the ~~Sherman Hotel~~ ~~at about 7.10 P.M.~~ where I left the closed car at about 7.10 P.M.

I was charged \$1⁰⁰ for the ride.
