same apparently operating as a house of ill-fame

I was admitted by a colored woman (age given as 18 but appeared older) and ushered to the front room where I saw another colored woman.

These women were suspicious of me.

~~During our conversation~~ Two other colored women entered, one of whom greeted me and solicited me to indulge in prostitution with her.

An argument over some matter of apparently previous dissension was begun immediately upon arrival of the last two women and while the woman solicited me I was asked by the girl who admitted me to depart.

I was asked by the woman who solicited me to meet her on the corner at "Hermanns"

Shortly after I was served, a young mulatto

She then left the room, going into what
perhaps is a toilet and while out the bartender
solicited me to meet this girl who he introduced
to me upon her return.

We were then served a glass of beer for myself
and a glass of gin for which I was charged 10¢
and 35¢ respectively.

I was solicited by this girl to indulge
in prostitution with her for a price of \$3.00 + \$2.00

At about 5:55 P.M. I was met in the hallway of the 1st floor by a woman known to myself as Miss Wilson ^{the super of this place.} Here she solicited me to indulge in prostitution in her apt on the 1st floor - East - but that I would have to wait about 15 minutes as a patron was just dressing. I then left.

I returned to these premises at about 6:20 and was admitted to the apt. by Miss Wilson.

In a bed room, ~~fronting~~ on the Court of the Apt. Bldg. I was solicited by Miss Wilson to indulge in prostitution with her for a consideration of \$5.00 which she reduced to \$3.00 in an effort to have me indulge.

While in the bed room, she admitted the janitor of the Building (one of two men employed) to inspect window shades.

The keeper informed me that the Apt. was shared by a girl roomer 19 years of age who is employed.

My acquaintance with the keeper was begun thru a street solicitation to prostitution shortly after midnight Dec. 21 (Dec. 22 A.M.) the same having taken place after she saw me come out of the New Richmond Hotel 414 South Wabash (See Special Report 12-21-21)

While in her Apt. I was also solicited by Miss Wilson to indulge in prostitution with her at the New Richmond Hotel, she informing me that she had arrangements with one of the clerks to bring men there for the purpose of prostitution and that she had made use of this Hotel for the practice of prostitution.

I was also invited to bring girls to her Apt. for the purpose of prostitution.

I gave her 50¢ as confidence.

Observation

As per instructions I started observation on above address at 6⁰⁰ P.M. and saw the following.

6²⁵ P.M. 2 men out, one well dressed about 40 yrs old, about 6 ft tall. the other man appeared to be the janitor, he was carrying a suitcase.

6³⁵ P.M. 1 man in, (the janitor) with a white bag, appeared to be about half full, (Bag about the size of flour bag.)

7¹⁰ P.M. Saw the Park officer. go north on east side of Michigan.

8⁰⁰ P.M. Man in. Well dressed about 28 yrs old.

Saw nothing further during observation.
Discontinued work at 9⁴⁰ P.M.
Inv. F. W. W.

As per instructions I arrived at 39th and Michigan at 9:55 P.M. and began observations on the premises of above address.

It immediately walked past the premises - and saw a boy in the front room near a window, the boy being hard to see due to dim lighting.

At about 10:00 o'clock I saw a car (481957) drive up to the corner of Pershing ~~to the~~ Indiana and let out a man who seemed at a loss to know where to go. This man eyed me considerably and after a couple of minutes stand on the Blvd and a start in a ~~number of~~ directions walked West on Pershing.

At about 10:10 I saw a boy and a woman ~~in the~~ front room near the windows, looking out

At 10:15 I saw the same woman in a chair looking out in the street. This woman was of rather large physique and wore a plain house dress.

At about 10:40 I saw a man and a woman enter the premises, the boy watching them from the window nearest the entrance. The entrance was dark.

The woman wore spats or cloth topped shoes and a dark, heavy fur trimmed coat and glasses. ~~Height~~ Height 5'5"

The man was about 5'11" Ht. about 175

About 2 minutes later another couple entered the place. Then I saw while I was nearly a block away.

At about 10:45 I saw a light up on the 3rd floor.

At about 10:50 this light ~~was~~ light extinguished

3826 S Michigan Ave (Continued)

At about 11:00 O'Clock I saw a man standing on the curb in front of the premises hail a "Diamond" taxi to the driver of which he said that he would be out in a minute, as he went into the house. In about that length of time he came out and dismissed the driver and returned to the house.

At about 11:05 this same man came out of the house again and hailed a yellow taxi. ~~returned to the house and shortly thereafter this man and a~~ (possible boy also - not an original) woman companion were driven South.

At 11:10 I saw a light on the 3rd floor but none on the 1st.

At 11:45 I saw a light in the rear of the 1st ^(prob. there long - not an original) floor. ~~That~~ At 11:50 the lights illuminating the number of billboards on vacant lots North - went out. These lights serve also to make persons passing clearly visible to occupants of the house.

At 12:15 I saw a light put on on the 2nd floor, saw some one moving about and the lights put out again.

At about 12:25 I saw a woman passing from the 3rd floor to the 2nd floor. This was not the woman seen in the front room at 11:15 nor was it the woman whom I saw enter the house at 10:40. ^(2nd floor) At this time also I saw a light in a side room on the 1st floor.

At about 12:30 the light for the 2nd-3rd story stairway was extinguished.

At about 12:45 the light on the 3rd floor went out and the 2nd-3rd stairway light again went on.

From about 1:15 A.M. until I discontinued observations at 2:00 A.M. the place was in darkness.

Complaint by C.C. S.

As per instructions I went to this place at about 2:25
registered as a guest as A. F. Butler, Waterloo, Iowa.
I was assigned to room #24 on the 3rd floor by
the clerk on duty stationed at the desk ~~located~~ as
is the Lobby, on the second floor.

I remained on the premises about 20 minutes.
During this time ~~nothing~~ ^{nothing} of importance.
At about 5:30, I re-entered the Hotel and remained
until about 8:20.

During this period I heard a number of men
gather in conversation about a disturbance between
a colored porter and a maid which took place
Sunday morning, an arrest by officers and
a fine of \$25 and costs assessed against the Porter
in Court on Monday.

I heard one of the guests say that this Porter (Ben) had been acting as a pimp for the maid who was practicing prostitution and that in a fight ensued the attempt of the porter attempting to not allow the maid to retain an amount of money she wanted to retain.

I saw a colored maid in conversation with

the clerk and saw a woman about 25 years of age call for her key to room #64. at about 6:40

I gave this woman an opportunity to solicit me to indulge in prostitution but was not solicited.

My third visit in the Hotel extended from about 10:55 P.M. to 11:45 P.M.

At about 11:30 the day Clerk, a man about 50, of medium size, partly bald, and wearing a mustache was relieved by the night man addressed as John. This man is a man of about 60 face wrinkled, white hair around as the he is 75.

At about 11:40 I saw a blond woman about 25 yrs. of age, of ~~respectable~~ appearance accompanied by a man call for her key. The man ~~appeared to be~~ a stranger to this woman.

Complaint

At about 4:00 while approaching the premises I saw a woman near by who was walking in my direction ^{and evidently approaching me} and entered into a conversation with a roughly dressed young man who wore leggings. This man came from across the street. Following the ~~short~~ conversation during which they were walking West, they turned East and entered the front door of this building.

I saw another woman (well dressed) walking slowly along the street from near this place to Indiana and turn North on Indiana. This woman glanced at me several times but did not solicit me.

At about 4:55 I called at the residence where the door was opened as far as the safety device would permit by a middle aged colored woman who informed me that the present tenants had been there only about a week. This statement I do not believe to be true due to above facts and the "atmosphere".
