 Irene & several others.

Alone. I rather solicited to indulge in prostitution of person for
 a price of \$5.00.
 A middle aged woman came into the next room & called Irene.
 Irene was well built about 130" and had yellow potted hair. She
 took me into a small room at the end of a hall. The hall opened
 off the right side of the next room. I stripped & laid down on
 the table. Irene took off her apron & stood before
 me naked.

It was a good treatment honey. I'll take you the
 regular way for I'll French it. It'll cost you
 \$5.00 of course. She said
 I pretended to be ignorant of what she meant &
 told her I wanted a massage.

She told her husband to give me a massage
 as she stood there naked. She told me to come
 back some time when I wanted to get a "real" treatment.
 I tipped her a dollar & paid 3⁰⁰ for the massage.
