 He said chief of Police sent him a
 letter which consisted of of figures
 and statements from both the Comptroller
 of City and Police Dept.

Then quoted statements by Judge Trude
 saying a certain police officer had
 been discharged five times for grafting
 and is working today. (Why)
 Comptroller of City made 30 raids
 and within 2 hours of same was
 running wide open. So such raids mean
 nothing

He impressed upon the audience
 that juvenile protection all
 vigilance association. Judge Mc Kinley
 Judge Trude. and Burdickson were the
 (only) ones pushing the investigation
 others doing absolutely nothing
 He mentioned cloudy road 3340 mich
 and the Bet 22 mt state saying they
 were protected places. He knocked Police

Vancouver Wash

Saliciting on Street

During the past ten days I have
visited the corners of Vancouver and
Wash ones and in these few visits
I have been salicited several times
by the same women who ask them to
go to the salooning hotels for the
purpos of sexual intercourse

414 & Wash. 1801 Wash. 538 & St. A.

There are seven women that I know
when I see them and they speak to me
while passing them

They are so bold as to come up
to me and tell me to get off their
back and that they know I don't want
to go to bed so I must be on
investigation and I won't get any thing
on them.

These women all have pimps
trailing them around
