Dear Sir, I have a favor to ask of your Honor; which I hope you will condescend to grant; (viz.) To forward a Copy, (either in pamphlet or newspaper form) of your speech in Senate, after the Hon. Ch. President's Message was read to the thirty fifth Congress of Our Glorious Democratic U.S.A. - God grant, that Popular Sovereignty; and Non-intervention, (The Mott of every good Democrat in the Union;) May be Stamp'd on Our National Flag, as well as in the bosom of every American Citizen. Before I proceed any farther in the matter; I shall give your Honor a short sketch of my life &c. I ^{was} born near Doylestown, (the seat of justice for the County of Bucks since AD 1812) on the 24 evening of Dec. AD 1799 - My Father departed this life Oct 26th AD 1799 consequently I was an Orphan born - The 4th child of a poor widow; (which by the by is no crime) On the first of April AD 1812, my mother & her Father & family left Bucks County - and migrated to the lower part of Chester County, where they resided 7 years, in 1819, they migrated to Lancaster County where they both departed this life AD 1850 - My Mother's Maiden-name was Morris; her Father was an own Son to Robert Morris A signer of the Declaration; that Immortal Document. My Father, Amos, migrated from Wales and were amongst the first settlers of the Eastern part of Pennsylvania. - It was my lot to be BORN a Democrat; and I never have patronized an Anti-ism of any kind, and I pray God that I never may; (when I was a Child my Mother taught me to read the Bible, and in that good book I was informed, that the Devil; was the first Anti- and I believe that the Devil is deeply concerned with all Anti-isms.) On the 30th of November AD 1826 I was joined in the Bonds of Wedlock, which lasted 24 years, 4 Mo and 26 days. In April AD 1852 I paid a visit to the City of Washington &c. I had an introductory Letter from my friend Col. Rich Fisher ^{Sen. Secy} to Senator Broadhead, who led me through the Capital and into the Senate Chamber; where he promised to give me an introduction

to Senators, Cass & Douglas - But as neither your Hon. nor that of Mr. Cass, did not attend that day until a bout the hour of Organising therefore I was debarred, of the inexpressible pleasure of becoming acquainted with your Honors. - Although I saw your honor, and that of Mr. Cass, sitting side by side, in the Senate Chamber. I spent part of two days in the Patent Office, and then returned, via Baltimore Little York, and Lancaster City, to my residence in Bort township Shen but Edens now. On the 13th of May A.D. 1852, set out on a tour through the Western part of Maryland Virginia, along the border or north Carolina, Ohio, and the Western part of Pennsylvania, I traversed all the valleys of any magnitude in the State of Virginia, and crossed the Mountains Stumps. - And to the Honor of the Citizens of that Old Democratic State, (W.D.C.) be it spoken, they possess more Hospitality & true friendship than the Citizens of any other State that I have ever visited.

I am a regular bred Pennsylvania farmer, with the exception of 10 years of my life, which has been spent in teaching School, & in travelling. I had the pleasure of reading the Speech a copy of which I so much desire, but I was requested to return the paper that contained it, to the owner which I did. I have been taking the weekly press of Philadelphia since the first of January but I was too late to get a copy of said Speech.

I must soon draw this epistle to a close for the present - hoping that your Honor will forgive me if I have asked amiss.

No more at present but remain yours in friendship. William Dungan

Post Office, Augusta, Illinois.

Hon S. A. Douglas —

Dear Sir: —

A few days since I wrote to the Post Master General, resigning my Office as P.M., at this place, and recommended D.C. Taylor Esq., as my successor. I trust you will attend to this matter and have Mr Taylor appointed. He is a Sinon Pure Democrat, (a thing ~~thing~~ that can be said of but few in Augusta), and fully competent to discharge the duties of the Office.

I learn that E. L. Yates has written to Col Morris to have W. H. Watson appointed. There is not a more violent black republican than he in Hancock County. Last fall when Col. Morris was here to speak, Watson was one of his worst defamers.

Mr Taylor is the only true Democrat in Town who would accept the Office.

Please lay these facts, (for such
they are,) before Col Morris, &
the P. M. Genl., and have Mr
D. C. Taylor appointed as
soon as practicable. He has
a suitable building in a central
place, and the Office would
suit him well. He always votes
a clean ticket.

Yours in haste,

Office of the National American

Lafayette, Mo. Jan. 26, 1858.

Hon. S. A. Douglas.

Dear Sir

Will you have the kindness to send
me fifty or one hundred copies of
your great speech on the Kansas
Constitution—your reply to Senator
For Green and your speech on the
arrest of Gen. Walker. There is much
engaging in this part of Missouri for
your speeches—and I think you
have many friends here among
the Democrats and many sym-
pathisers among the Americans.
I published an abstract of your first
great speech, but since the reception
of Senator Green's speech in reply
to yours, much interest is felt to
see your entire speech, especially
among the Americans. I have
also sent a request to Senator Green

to forward me copies of his speeches
as I desire to distribute both at the
same time.

It may not be out of place
for me to add that I think you
right on the Lecountian Conditio-
nian question, and I can fully enter
your position, and wish you "god
speed" in the good cause of right
and justice.

I will take it as a great favor
if you will send me Senate Docu-
ments, as I am getting up a library
and you know that "public documents"
are of great service to editors some-
times for reference.

Please consider this strictly private
and confidential, and believe me
yours respectfully,

Dear Sir

As we (the Democrats) have no representation in Congress, I am far one deprived of Pub. Docs.

If you would add my name to the list you supply, I shall be very grateful.

From the first, I have been pleased with your course on the Leecompton constitution, and trust you will fight it to the end.

If any thing will save us ^{here} at our election next March it will be your course on that matter.

As a long letter from me, an entire stranger to you, might be out of place, I will not inflict one.
